Sub:- Community Projects - South Kanara Project area - Loans to ryots under the Land Improvement Loans and Agriculturists Loan Acts - Allotment - Sanctioned - Brief details of the scheme.

Sir,

Please refer to your letter No.2087 Pub.(R.D.P.II) 55-1, dated the 18th April, 1955 on the above subject, enclosing a copy of a reference from the P.E.O., Mangalore, South Kanara Distt. It is observed from the P.E.O's letter that the loan of Rs.50,000/- is intended to be utilised for the construction or repairs of wells & tanks and reclamation of waste lands. In the Govt. Order Ms. No.177 dated the 19th January, 1955, it is stated that the loan has been sanctioned for purposes other than improvement of irrigational facilities. It is requested that this discrepancy may please be reconciled.

In this connection it may also be pointed out that the amount required for Reclamation of waste land had better be provided under the head "D. Reclamation", by reappropriation from the head "Irrigation" before expenditure is incurred thereon.

Yours faithfully,

(S.S. SHIVAPURI)
Under Secretary.

Sir,

COMMUNITY PROJECTS--South Kanara--Project Area--Loans to ryots under the L.I.L and A.L. Acts--Allotment of Rs. 50,000/- sanctioned--Brief details of the scheme furnished--Further report call--Submitted.

Ref: Govt. Endt. No.3071 Pub. R.D.P.II/55-1, Dt. 4-5-55.

The point now raised by the Community Projects Administration in para 1 of their letter No.C.P.A. 7 (6) IV-B/55 dated 29-4-1955 received with the Government Endt. cited above was considered by the Government prior to the sanction of the allotment. I request a kind perusal of my report Ref.C.No.1389/54-F, dated 13--12--1954 in reply to Government Memo No.2683 Public R.D.P. V/54-3, Dated 27-11-1954 (A copy is herewith enclosed for ready reference). As orders stood, there was no allotment of funds in the Community Project budget of this project for grant of loans under the L.I.L. and A.L. Acts for purposes like repair or construction of tanks or wells or for reclamation of lands etc. as the specific allotments provided in the Overall programme were confined to grant of loans for the purchase of seeds and manure and pumpsets. As the Asst. Project Officers and Project Executive Officer were empowered to grant loans under the L.I.L. and A.L. Acts ousting the jurisdiction of the Revenue Officers, it was necessary to obtain an allotment for grant of loans under those Acts. In G.O.Ms. No. 177 Public R.D.P. Dept. Dt. 19-1-1955, the allotment of Rs.50,000/- now under reference was sanctioned from out of the provision of Rs. 5 lakhs provided in the Revised Overall Programme under 'Irrigation' and it has been specifically stated that the expenditure should be counted against the provision made in the overall programme of this Project under 'Irrigation'. As the allotment is for sanctioning loans for the various purposes stated in my report Ref.C.No.1389/54-F(2) dated 7-4-1955 (Vide Govt. Memo No. 2087 R.D.P.II/55-1, dated 4-4-55) i.e. for purposes which do not come directly under the purview of 'Irrigation' it was considered as "other than improvement of irrigation facilities". An amount of Rs.9,450/- has already been spent out of this allotment and has been shown under Irrigation.

Though the amount is also intended for grant of loans for reclamation of lands, the expenditure will be very little under the head and the amount is mainly intended for grant of loans for the construction or repair of tanks or wells.

Yours faithfully,

With reference to G.O.Ms.No. 1227 Public(C.P.) Department, dated 9--5--1953 I solicited instructions in my report Ref.C.No.75/54-B, dated 17-1-1954 whether the Project Executive Officers and the Asst. Project Officers are empowered to grant loans under the L.I.L. and A.L. Acts for the improvement of irrigational facilities only or whether they are authorized to grant loans in all cases within the purview of the two Acts. In reply to this letter, it was ordered in Govt. Memo No.6166 C.P.II/54-1, dated 18-3-1954 that loans for other than irrigational facilities should be disbursed from out of the funds made available for the purpose from the State funds only. It was also ordered that the Project Executive Officer may apply to Govt. for grant of Community Project funds to be utilized for such loans if there was lack of provision in the State allotment. During 1953-54 a sum of Rs. 10,000/- was allotted by the Collector of South Kanara for the Project staff to grant loans under the two Acts. Another sum of Rs. 10000/- was allotted by the Collector for expenditure during 1954-55 and this amount has already been spent. Meanwhile the Collector wrote that he had received instructions from the Board to reallot the funds allotted to me under L.I.L. and A.L. Acts, to areas outside the Project and that he had been told that no allotments need be made to the Community Project areas from State funds, so long as funds are available under Community Project budget. Since there was no specific provision in the Community Prject budget for granting loans under L.I.L & A.L.Acts , except for pumpsets, fertilisers and for putting up irrigation dams, the allotment made by the Collector had to be utilised for grant of loans under A.L. & L.I.L. Acts for purposes other than those mentioned above.

As orders stand at present there is no allotment for grant of loans to ryots under the L.I.L and A.L. Acts for purposes like improvement of old tanks or wells, construction of new tanks or wells, reclamation of fields etc. the specific allotments made being confined to purphase of seeds and manure or agricultural implements and pumpsets under special rules.

I, therefore, request that an aggregate sum of Rs.50,000/- may be allotted for grant of loans to ryots under the L.I.L and AL. acts for purposes other than those referred toabove, for which there is specific allotment, viz. construction or repairs of tanks or wells for irrigation purposes, reclamation of waste land, planting of fruit trees etc.

I request the favour of early orders.
